

I'm going to miss the Morning Prayer live-stream!

Sorry, but...

We are really sorry not to be able to continue Morning Prayer via live stream, but as we move back to something like normality, it's become clear we are also going to have to move back to more normal ways of praying and working.

That doesn't mean you can't still enjoy something of the feel of what you've enjoyed these last 16 months! Here's three possible alternatives which you may want to try:

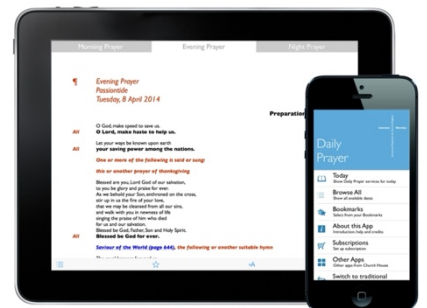

Our top tips

1. **Pray with another person:** why not join up with one or two others to pray in this way? Or if you're local to us join the group that prays at the Parish Centre, 21, Housley Park, Chapeltown S35 2UE on Mondays-Thursdays? Our second suggestion gives you an idea what to use...
2. **Pray this way on your own:** you could get your own copy of *Common Worship: Daily Prayer*: this is where our daily prayers are taken from. You can buy either the full volume, or a slimmer, smaller version. Here's the links to have a look:

3. **Use the app on your phone or tablet:** Yes, there really is C of E Daily Prayer app! It gives you all the prayers, Psalm and readings for the day, and an audio accompaniment, so you can have the feeling of joining others.

We hope you will find one of these ways of praying and listening to the Lord each day. May the Lord bless you as you continue to meet with Him.
